

MICHAEL FLISK

*Chair Massage Therapist
at Kensington Golf & Country Club
in Naples, Florida*

PERSONAL PROFILE & BIOGRAPHY

Michael graduated from the accredited Chicago School of Massage Therapy in April 1996. Since then he has had extensive experience in his field of massage therapy at prestigious clubs and resorts. Michaels concentrated form of massage therapy has been de-veloped to improve and maintain muscle and facial elasticity for optimum function ability. His treatments are designed to produce Hypertrophy (excessive nourishment) in the body's tissues resulting in increased synovial fluid in the joints and nourishing fluid to the nerves. Michaels programs are de-signed to improve the function and durability of the loco-motor structures of the body.
